

Oakland County KC, Novi
January Agility Trial
Suburban Collection Showplace
January 19-22 2017

Your entry for the following dog was received before closing, and you have a spot in our agility trial at the Michigan Winter Dog Classic. Please check all information listed below carefully, and contact me with any discrepancies immediately. Changes will not be made the day of the trial. I (Kim Salyers) can be reached at 586-206-3143 (message only), or preferred method, my e-mail address is "KimAgilSec@cs.com". If you need to move up because of earning a title (CONGRATULATIONS), email me as soon as you know. The deadline for move ups will be at 6 P.M. January 13, 2014. No email move ups will be accepted after this date. There will be day-to-day move ups allowed during the trial.

1. AGILITY ENTRANCE IS DOOR # 9. located on the north side of the bldg, closest to the xway.

You must present the admission ticket to get in, so make sure that you **print them out!**

One for each day even if you are not entered all four days.

One admission ticket per dog/per person will be needed. Make sure to get your hand stamped each day.

The show trial table will be pretty close to the door, so if there is an "issue", let us know.

CHECK OUT THE MANY WAYS TO EARN \$\$\$\$\$\$ TOWARD A FUTURE OAKLAND CTY KC AGILITY TRIAL ENTRY !

2. Trailer unloading will be at 10:30 am on Wed. Anyone coming to help will be able to unload their stuff and after the agility ring is set up by Moss Bow, I will place it in a spot for you. If you are still around, you will be able to set up. Otherwise set up will start at 5pm, you must use the AGILITY ENTRANCE DOOR.

Trailer loading will be done on Sunday after the last class and if you stick around to help out you will get a **FREE 2nd entry** to an OCKC show in March or October 2017 !

3. Workers will get a **Worker Raffle ticket for a free entry** to a future OCKC show and also an **OCKC CASH voucher** they can use for a future show . Oakland County cannot supply food for workers, per their contract with Sub Showplace. but the Canine Community Center will be furnishing snacks and water by the committee set up area for workers all four days. Help yourself!

PLEASE VOLUNTEER TO WORK !! and be nice to spectators and please educate nicely! THANK YOU !

4. There is a daily parking fee and also an admission fee for spectators coming with you.

5. Expens will be allowed for MULTIPLE dogs but we WILL move crates and pens to make room for others if needed.

We reserve the right to 're-arrange living rooms'! Expens must have some sort of barrier on top of it since this show has ALOT of spectators and we want to keep them from reaching in and petting your dogs! A simple piece of netting or tarp will do. Remember that you are responsible for your dogs behavior and conduct. In the past I have managed to rope off our crating area and keep out spectators, but that is not a sure thing

6. As in the past, we try and do a commentary as you and your dog are running the course to help educate the public about agility, our dogs, breeds, training, competing, rules and regs. It would help if you would write out something about your dog and give it to me before you enter the ring.

We try very hard to talk about each dog, but remember that we are running a show and showing our dogs, so it is not always possible and sometimes we miss dogs or If you don't give me something to talk about I just may make up a story and I can make up some good ones about you !!! LOL
